MATT DAVIS

NEPA-based comedian Matt Davis was raised by a band of gypsies in the Midwest and has been making audiences laugh with his misanthropic wit for more than a decade. He started in Billings, MT before moving to San Francisco, and now resides in Honesdale, PA – the global comedy mecca – and plays all over Upstate NY and NEPA. He has performed at the Binghamton Comedy Crawl, the Scranton Fringe Festival, and performs semi-regularly with improv group The Laugh Collective.

In 2014, Lisa was recognized as Outstanding Dietitian of the Year by the Pennsylvania Academy of Nutrition and Dietetics, the highest honor bestowed upon a Pennsylvania Dietitian.

MAJOR H DUDE

Self-proclaimed whizkid, Major H Dude, is a trans comedian who has been living in Pennsylvania ever since they crashed their spaceship here 21 years ago. Earth, as it turns out, is a funny place to be; Major has made it their mission to spread the word. Possessing neither a filter nor a gender, the only thing Major can promise is a bloody good time.

Major thanks you in advance for using gender neutral (they/them) pronouns.
